Growing up in Sonoma, we spent a lot of time exploring the local countryside: finding our way through neighboring vineyards owned by old friends and family. I remember the excitement of discovery and freedom as I thoroughly studied our small town and its outskirts. I remember old dusty roads that led to forgotten vineyards and properties Gehricke is a tribute to one such road.

Today, we explore rural, premium wine sub-regions throughout Sonoma County, selecting fruit from the finest vineyards. We are meticulous in our journey of crafting small-lot wines made with minimal intervention, so that you can enjoy the truest representation of each appellation and how its terroir impacts specific varietals. From our family to yours, Gehricke wines are made to enhance the little moments that become epic memories. Wherever the road takes you, your journey should make the destination worthwhile.
